- 3) They must have an adequate organisation and sufficient human resources in accordance with their operating capacity:
 - Participants must use the form included in Annex 3 to the Participant Incorporation Standard-Form to appoint any operators they wish to empower to have access to the OTF.
 - These operators will have a username and password provided by the Supervision Area and must be conversant with the applicable OTF Rulebook and, in the event, the use of trading terminals.
 - CIMD OTF shall notify the Participants of any changes in its Rulebook and in the Terminal Handbook, this information also being accessible via the OTF website.

- Participants must notify CIMD OTF of changes in authorised operators so that the Supervision Area may remove and add the relevant usernames and passwords. - 4) The Board of Directors of CIMD SV, SA, as the most senior body in charge of managing the OTF, using non-discriminatory techniques and the provisions contained in the OTF Rulebook and the Circulars, may refuse to accept an entity, providing the grounds for said refusal.

- 2) Send the document evidencing the powers of attorney of the parties signing the Participant Incorporation Standard-Form to act on behalf of the Participant.
- 3) Applicants must indicate the documentation attached to the Participant Incorporation Standard-Form in accordance with the provisions of the Regulations and the Circulars.
- 4) The Board of Directors of CIMD, SV, SA shall examine the application and make a decision, generally within 30 days of receiving the Participant Incorporation Standard-Form and the above indicated documentation duly completed; the decision will then be notified to the applicant, along with the date on which the accepted entity may start trading in the Facility. In case of the acceptance of the application, the Participant Incorporation Standard-Form along with the notification by the OTF Manager will constitute the documents proving this condition, subjecting the parties to comply with the obligations established in the OTF Rulebook and making use of the rights recognized in said Rulebook.

4. Participants' withdrawal

4.1. Due to the entity own decision

If the Participant decides unilaterally to relinquish participation in the OTF, it must notify the OTF Manager in writing at least fifteen (15) days prior to the effective date of withdrawal. In any event, until effective compliance, the reciprocal obligations of the parties deriving from actions prior to the resolution shall remain in force.

4.2. Due to changes in the Rules of the OTF

The Participant may oppose any modification to the OTF Rulebook, expressly notifying this opposition in writing to the OTF Manager ten (10) days prior to entry into force of the new Rules. In this case, it shall be understood to be denouncing the Participant Incorporation Standard-Form signed with CIMD OTF with the resulting loss of Participant status effective on the date the modification enters into force.

4.3. Due to changes in the rates

The Participant may oppose any modification to CIMD OTF's rates, expressly notifying this circumstance in writing to the OTF Manager ten (10) days prior to entry into force of the new rates. In this case, it shall be understood to be denouncing the Participant Incorporation Standard-Form signed with CIMD OTF with the resulting loss of Participant status effective on the date the new rates enter into force.
